ANSWER²™

ANSWER²™ Shoes are now available in three styles -
- Athletic, Walking and Casual -- to meet the needs of
discerning adults. All are designed to accommodate
footwear needs for AFO & KAFO fittings while providing
top quality finish and craftsmanship that ensures
durability and comfort.

ANSWER²™ Shoes are designed to solve all your fitting challenges from infants through adults. For more information on infant, children and adolescent sizes, please contact Apis Footwear at www.apisfootwear.com

Adult Athletic

Introducing the **NEW ANSWER²** Athletic Shoes

Designed to provide even distribution of pressure throughout the patient's gait cycle, the new **ANSWER²** Athletic Shoes provide a new standard in comfort, breathability, stability and overall support. The attractive and contemporary styling will appease even the most discerning wearer.

ANSWER²™ Inserts

Complimenting the adult ANSWER²™ Shoes is a new line of inserts designed to enhance overall comfort and durability. This new line of EVA base, multi-density orthotic inserts feature a 1/8" Plastazote[®] top cover with 3/16" ThermoEVA base material (45 Shore A).

Men's inserts sizes 5 through 15 and Women's inserts sizes 5 through 11 are pre-cut to fit each ANSWER²™ Shoe.

ANSWER²™ Men's & Women's Inserts

The orthotic insert provides support to the patient's arch, in addition to unloading the forefoot. The insert is pre-cut to fit into the ANSWER²™ Shoe.

(Men's Insert: Style No. 309
Women's Insert: Style No. 310)

(3-layer Insert Set in Shoes)

Easy to shape & modify.
ANSWER²™ inserts are designed to maximize patient comfort
